

Tech rider:

The performance space:

The installation can be adapted for most performance and or gallery spaces. Minimum space dimensions: approx.:8m X 8m and 4,5-5m in height

Artist brings the Tyvek paper set. When possible can bring cardboard sit stools.

If the performance space does not have a grid for hanging lights and sound installation, there can be adaptations made.

For the Tech rider please see: <http://everyone.shannoncooney.org/touring>
